Celebrating the Light of the Guru — Guru Purnima Special

Dear Readers,

Om Sai Ram!

As we welcome the sacred month of July, our hearts are filled with reverence and gratitude, for this is the time we celebrate *Guru Purnima—a day dedicated to honoring the divine presence of the Guru in our lives. At *Sai Shradha Saburi Times, this edition is a heartfelt offering at the feet of Shri Sai Baba, our Sadguru, the eternal guiding light who continues to lead us from darkness to light, from ignorance to wisdom.

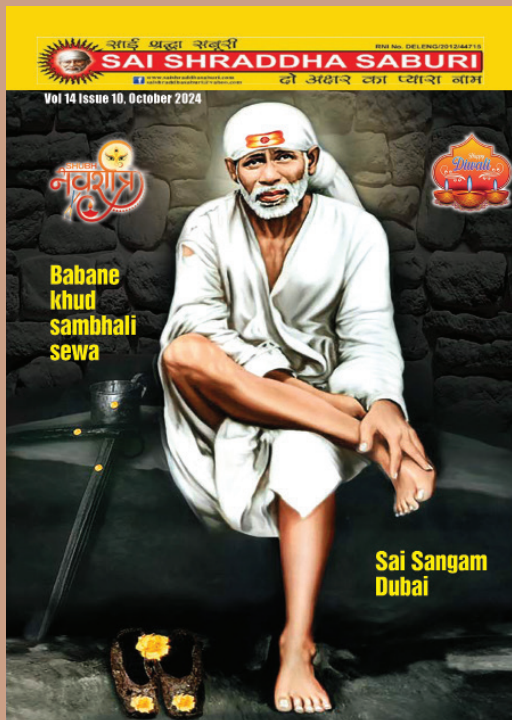

Guru Purnima is not merely a festival; it is a moment of deep reflection. It reminds us of the value of surrender, humility, and trust—qualities that Baba emphasized throughout His life. His teachings were simple, yet profound: Shradha (Faith) and Saburi (Patience) are the twin pillars of spiritual progress. These virtues remain as relevant today as they were in Shirdi a century ago.

In this special edition, we bring you a collection of soulful articles, devotee experiences, poems, and rare teachings that shed light on Baba's role as the Guru in our modern lives. From the lanes of Shirdi to the corners of every devotee's heart, His presence continues to transform, heal, and uplift.

Let this Guru Purnima inspire us to deepen our faith, walk the path with patience, and offer every thought, word, and action at Baba's feet. May we remain forever in His grace, guided by His wisdom.

Wishing all our readers a blessed and blissful Guru Purnima

Om Sai Ram
Warm regards.

क्या कहानी है साई बाबा की शिला के ऊपर सजे चित्र की ?

शिर्डी के द्वारकामाई में एक विशेष शिला है - एक पवित्र पत्थर, जिस पर साई बाबा वर्षों तक बैठे और ध्यानस्थ हुए। यह शिला केवल पत्थर नहीं, साई के आत्मस्वरूप की साक्षी है। लेकिन बहुत कम लोगों को यह ज्ञात है कि इस शिला के ऊपर एक चित्र भी सजा है - और उसकी कहानी साई के भक्तों को भाव-विभोर कर देती है।

यह चित्र शिला के ऊपर इसलिए सजा है ताकि साई की प्रत्यक्ष उपस्थिति का आभास होता रहे। चित्र प्रतीक है उस सत्य का कि साई केवल शरीर तक सीमित नहीं थे। वे शिला पर बैठे अवतारी पुरुष थे, पर वे अब भी चेतना रूप में हर श्रद्धालु के साथ हैं। शिला, जहाँ बाबा ने अपने शरीर को विश्राम दिया, और चित्र, जहाँ उनकी उपस्थिति को आँखों से देखा जा सकता है कृ दोनों मिलकर इस स्थान को अद्वितीय बनाते हैं।

यह शिला उस ध्यान की भूमि है जहाँ साई ने जीवन के रहस्यों को भीतर झाँक कर पाया और उसी स्थिरता में उन्होंने भक्तों को मोक्ष का मार्ग दिखाया। आज भी जो भक्त इस शिला के दर्शन करता है, उसे भीतर से एक शांति और श्रद्धा की तरंग का अनुभव होता है।

बाबा हैं न..

Sai Baba Mandir, Lodhi Road

A Peaceful Place in the Heart of Delhi

In the middle of the busy city of Delhi, there is a peaceful and divine place where people from all walks of life come to pray and find peace – the Sai Baba Mandir at Lodhi Road. This temple is dedicated to Shirdi Sai Baba, a saint loved by millions of people for his message of love, peace, and faith.

A Holy Place with a Beautiful History

The Sai Baba Mandir at Lodhi Road was built in the early 1960s. It was one of the first temples dedicated to Sai Baba outside Shirdi. The temple was built with love and devotion by Sai Baba's followers, especially by a great devotee named Shri Gopalrao Buty, who wanted to spread Baba's teachings in Delhi.

Over the years, this temple has become a very popular and respected place of worship. Thousands of devotees visit it every

week to seek blessings, offer prayers, and feel close to Baba. The temple is managed by the Shri Sai Bhakt Samaj, a group of devotees who ensure that the temple remains clean, peaceful, and well-organized.

A Peaceful Atmosphere

As soon as you enter the temple, you can feel a sense of calm and peace. The sound of bhajans (devotional songs), the fragrance of incense sticks, and the sight of the beautiful Sai Baba idol bring peace to the heart. The main idol of Baba in the temple is made of white marble. He is seen sitting on a throne, blessing all his devotees.

The temple has well-maintained gardens, a small prayer hall, and a space for people to sit and meditate. Even though the temple is located in the busy Lodhi Road area, it feels like a different world inside – quiet,

peaceful, and full of positive energy.

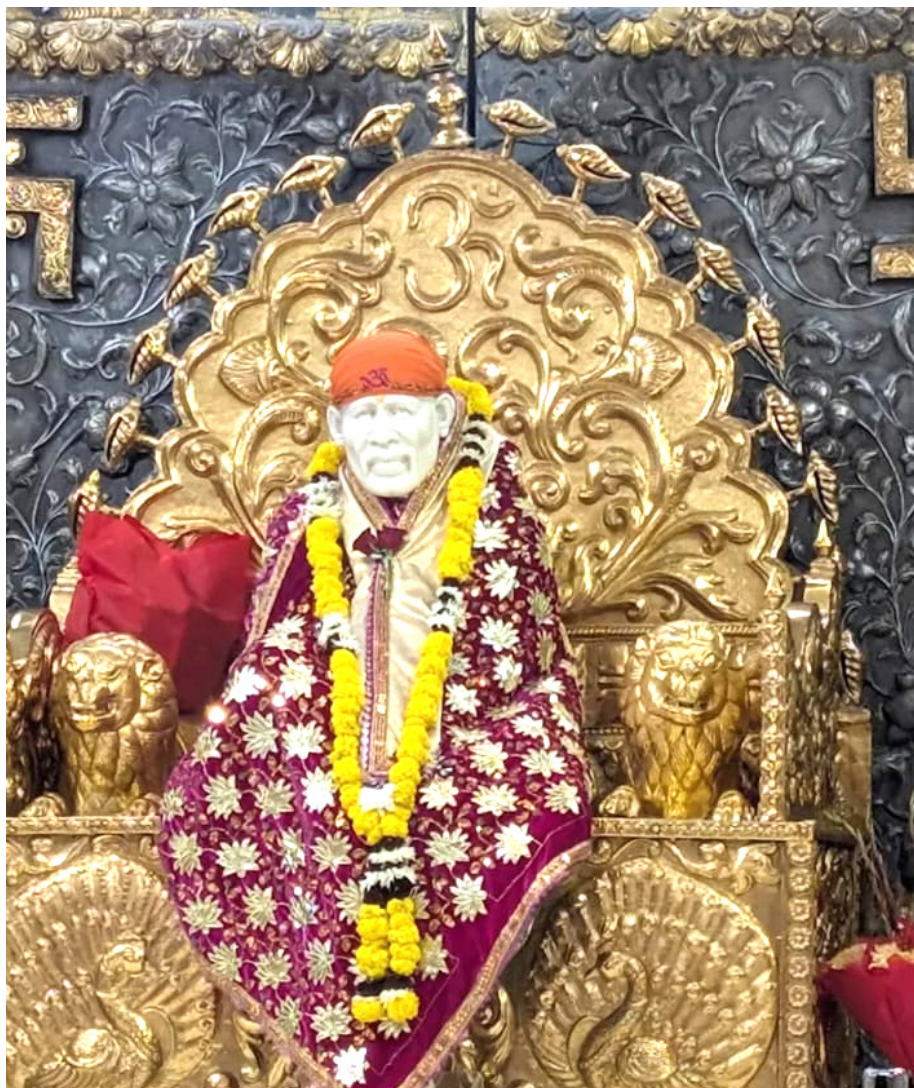

Sai Baba's Teachings

Sai Baba of Shirdi is known for his simple but powerful teachings. He always told people to have faith (Shraddha) and be patient (Saburi). He taught that God is one, and all religions are equal. He never cared about a person's caste, religion, or background. His only message was love, kindness, and service to others.

At the Lodhi Road temple, these teachings are shared through daily prayers, bhajans, and spiritual talks. Many people say that when they visit the temple, they feel that Baba is listening to their prayers and guiding them.

Special Days and Events

The temple is open every day, but Thursdays are very special. On this day, a large number of devotees come to the temple to

attend the Aarti (a special prayer ceremony), listen to bhajans, and receive Baba's blessings. The whole temple is decorated with flowers, and the atmosphere becomes very festive.

The temple also celebrates important festivals like Ram Navami, Guru Purnima, Vijayadashami (Baba's Maha Samadhi day), and Diwali. During these festivals, the temple is beautifully decorated with lights and flowers. Special prayers, bhajans, and food (prasad) are offered to all visitors.

One of the most touching parts of the temple's service is the free food distribution (langar). On special days, food is served to hundreds of people, including the poor and needy. This reflects Baba's message of serving humanity.

Social and Spiritual Activities

Apart from prayers, the temple is also involved in charity and social work. The temple trust organizes blood donation camps, health check-up camps, and distribution of clothes and food to the underprivileged.

They also help students from poor backgrounds with books and school supplies.

The temple also conducts spiritual discourses, meditation sessions, and devo-

tional music programs, which help people connect with their inner self and grow spiritually.

How to Reach

The Sai Baba Mandir is located on Lodhi Road, near Jawaharlal Nehru Stadium in Delhi. It is easily reachable by car, bus, or metro. The nearest metro station is JLN Stadium (Violet Line). From there, one can take an auto-rickshaw or walk to the temple.

The temple is open from 5:00 AM to 10:00 PM, with several Aarti sessions during the day. It's a good idea to visit during early morning or evening Aarti to experience the full spiritual atmosphere.

Conclusion

The Sai Baba Mandir at Lodhi Road is more than just a temple – it is a place of hope, healing, and divine energy. Whether you are going through a difficult time or simply want to sit quietly and pray, this temple welcomes everyone with open arms.

It reminds us that in this fast and stressful life, there is always a place where we can pause, pray, and feel connected – to God, to goodness, and to ourselves.

If you are in Delhi or planning to visit, do take some time to visit the Sai Baba Mandir at Lodhi Road. You may come with questions or worries, but you will leave with peace in your heart and a smile on your face.

Aum Sai Ram

Divine blessings of sai

With the divine grace of Sai Baba I feel blessed to share my life experiences with everyone.

It dates back from my school days when my parents Mr. Rameshware Gupta ji and my mother Ms. Pushpa ji used to take me and my brother Shalabh to Shirdi Sai Temple on Lodhi Road. I remember the excitement to get up at 5.00 am every Thursday morning (before going to school) and rush to the temple in our school dress (that was our love to meet Baba). Initially we were allowed to be part of the Sai Snan with milk and water and the whole divine process of Chadar and Patka. We as kids would be in awe as our faith in Baba was unshakable. With our folded hands we would sing “ Aum Sai Ram “ and smile of Baba would fill our hearts with joy. I clearly remember we used to take parshad of “Black channa , puris and halwa “ with us and the preparation would start a day before as we had to go early morning. After that filling our heart with the blessings of Sai Baba we used to attend our schools.

Shalini Diwan

Time passed but the blessings always remained with us as our faith and love for Baba was integral part of our lives. Fasting on Thursday also became a tradition with me and I would bribe Baba lovingly because I always felt his presence in my heart (I fondly addressed him as “ My father “).

After I got married I carried the picture of Sai Baba with me as I felt incomplete without him and his blessings. I vividly recall my visit to Shirdi with my husband Dr. Parag Diwan and my children Prachi and Prateek. Our stay was lovingly taken care of by the devotees of Sai Baba and our morning and evening Darshan and prayers were divine and full of joy and happiness.

We were blessed to see Sai Baba's prom-

inent and enormous statue of grace and love prominently seated on the pedestal blessings each person who came to seek his glory and love. The faith I saw in the eyes of each devotee reassured my faith in “My Baba”. The powerful and sacred “Vibhuti or Udi “from pious “Dhuni” which we all carry back with us have miraculous powers and coupled with faith makes it a powerful potent of protection from negative energies.

An unforgettable experience of Sai Baba needs to be shared as it saved us from misery and suffering (a deadly Tsunami stuck claiming many lives)In 2004 my husband insisted we visit Thailand with kids on New YEARS. He said let's go on Christmas times and somehow I insisted we go for New Years (he eventually agreed) On 26th December morning I got a dream

from BABA (I dreamt that there was chaos and confusion all around with people running for shelter. I pulled my family and locked a huge black door to save them from catastrophe and then I get a knock on the door. Baba was there and he said “ Beta darwaza kholo Baba Aye hain and I said nahi BABA mein darwaza nahi kholongi and then I see BABA standing in front of me in a white shining robe blessing my family and with him was ShivShakti glistening in turquoise light “ I was stunned and could not utter a word as I was teary eyed looking at him with all my love and devotion. He saved us from the pain and blessed us with his presence.

This incident still gives me goosebumps and then we left on our vacation on the 29th when there was peace and calmness all around.

Marking Two Years of SCOTLAND'S Only Shirdi Sai Baba Temple

In the quiet countryside of Aberdeenshire, Scotland, a meaningful milestone was recently observed — the second anniversary of Scotland's only dedicated Shirdi Sai Baba temple. Located within the Mohanji Centre of Benevolence, this temple has quietly become a hub for spiritual connection, devotion, and community for devotees across the region.

What makes the temple especially significant is its setting — surrounded by forests and farmland, far from city life. When the temple was first inaugurated in 2023, the team at the Centre was unaware of the strong Sai Baba devotee community just an hour away in Aberdeen. The discovery created a natural

connection, and since then, many from the area have become regular visitors, finding solace and strength in Baba's presence.

The temple follows the traditional daily routine of Shirdi Sai Baba's worship, with four aartis conducted every day — from Kakad Aarti at dawn through to Shej Aarti at night — seven days a week, 365 days a year. Devotees who visit are often surprised and moved by the familiar structure and rhythm of worship, echoing that of Shirdi itself.

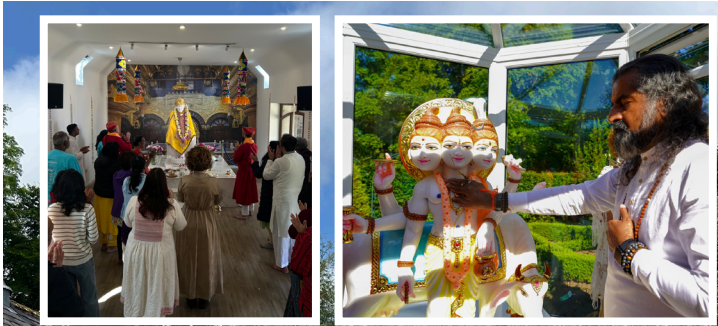

The second anniversary celebration in June 2025 marked two years since the prana pratishtha ceremony, which had been conducted by Sulakhe Maharaj, former chief priest of the Sai Baba Samadhi Mandir in Shirdi, alongside Mohanji, spiritual teacher and founder of the Mohanji Foundation. To mark the occasion, Sulakhe Maharaj travelled from India to lead the events, which included a Maha Abhishekam, procession, homa, and annadanam for all devotees. He commented that while the temple is still young, its presence is tangible and that he envisions it becoming a long-standing beacon of Baba's grace.

The temple in Scotland is part of a wider global network of Mohanji Centres of Benevolence, with 12 active centres around the world. Each one includes temples dedicated to Shirdi Sai Baba, Lord Dattatreya, and Lord Ganesha. In several countries — including Slovenia, Serbia, Croatia, and Bosnia — these have been the first temples of their kind. This global expansion reflects a consistent commitment to service, spiritual practice, and community development.

At the heart of this work is Mohanji, a globally active spiritual teacher known for

his practical teachings grounded in non-violence, compassion, and selfless service. His mission, through the Mohanji Foundation (registered in over 20 countries), is to raise human consciousness beyond all man-made barriers of religion, caste, or nationality. His approach draws on the traditional principles of Sanatana Dharma, expressed through a contemporary path of Raja Yoga, focused on inner stability, awareness, and connection to one's true self.

Mohanji's message emphasises living a life of authenticity, kindness, and purposeful action, regardless of one's background or belief system. Under his guidance, the Foundation runs spiritual centres, feeding programs, environmental initiatives, animal care projects, and meditation platforms — all aligned to the vision of a more conscious and compassionate world.

The Shirdi Sai Baba temple in Scotland continues to grow steadily as a place of worship and reflection. Though modest in scale, its quiet presence is drawing people from nearby towns and across the UK. Many find in it a reminder of Shirdi — not just in its rituals, but in its spirit of simplicity, sincerity, and service.

Sai Karuna Dham

A Place of Devotion and Service

Sai Karuna Dham is a beautiful Sai Baba temple located in Sector-61, Noida. The idea of building this temple came to Revered Guruji Shri C. B. Satpathy Ji in 1996. The Noida Authority allotted a plot of land for the temple at E-4, Sector-61. The foundation ceremony, known as Bhumi Pujan, was done by Guruji himself on 18th May 2000. After that, the construction work started with full devotion.

The Pran Pratishtha (installation of divine presence) of the Guru Sthan was done on 17th April 2001, and the main temple's Pran Pratishtha was completed on 13th April 2003, both by Guruji Shri C. B. Satpathy Ji. What makes this temple very special is that it is the 108th temple built under the blessings and guidance of Guruji.

With the blessings of Guruji, many social, religious, educational, and charitable

activities are taking place at the temple. Sai Karuna Dham is not just a temple; it is a center for community service and spiritual growth.

Feeding the Poor and Needy

One of the most important services started at Sai Karuna Dham is feeding the poor and underprivileged people. This began on 13th April 2003, under the guidance of Guruji. Since then, this service has continued every single day without any break. Thousands of people benefit from this

food service daily. On Thursdays, which is a special day for Sai Baba devotees, around 50,000 people are served food. This selfless activity reflects the temple's commitment to serving humanity.

Educational Support for Children

Guruji's vision also focused on providing education to the children of poor families. The temple started a small school for the children of laborers with just 10 kids. Today, more than 350 children are getting basic education. These children are mostly under the age of 6 and are given 200 grams of milk daily. A mid-day meal is also provided to all the students. In addition, free books and notebooks are given to help in their learning. Parents now fully support the initiative and bring their children to the school with joy and hope.

Medical Services and Camps

Sai Karuna Dham also provides free med-

ical help to people who cannot afford treatment. Under Guruji's guidance, the temple organizes free medical camps. One of the recent camps was held in village Sorkha, Noida, where 1104 patients were treated. A team of expert doctors from reputed hospitals participated in the camp. The patients mostly had problems like malnutrition, diabetes, eye problems, stomach issues, and joint pain. All patients received free medicines, and various medical tests like ECG, blood pressure, and pathology tests were conducted on the spot.

Regular OPD Services

Guruji has also guided the temple to run weekly OPD clinics in the temple premises. Every Saturday, poor and needy patients are registered and examined by doctors. Various specialists like Homeopathy doctors, Eye specialists, Dentists, Child specialists, Orthopedic doctors, and General Physicians visit the OPD on different days. These doctors check the patients and prescribe medicines, which are provided free of cost by the temple trust. Some patients even get long-term treatment regularly from the temple OPD.

Feeding Patients in Government Hospitals

Sai Karuna Dham also looks after the

needs of patients in government hospitals. Many poor people like rickshaw pullers, slum dwellers, and street vendors who are getting treatment in the District Government Hospital, Noida receive free meals from the temple. Around 200 to 400 patients are served food daily, as per the diet plan recommended by the hospital doctors. This food is lovingly distributed by volunteers from the temple.

Palki Yatra Every Thursday

Every Thursday at 8:00 PM, a special Palki Yatra (Procession with Sai Baba's Palki) is carried out. Devotees participate in large numbers with devotion and chanting, making it a spiritually uplifting event every week.

Providing Drinking Water in Summer

During the hot summer months, Guruji advised the public to provide cold drinking water to the public. Following his direction, Sai Karuna Dham sets up Piaoos (water booths) at different places. Here, cold water and Rooh Afza are served to passersby. This simple yet thoughtful service gives great relief to people in the heat.

Conclusion

Sai Karuna Dham is more than a temple—it is a symbol of love, compassion, and

service. All this has been made possible due to the divine vision of Guruji Shri C. B. Satpathy Ji, who believes in "Service before Self". His life is an inspiration to all Sai devotees and to society as a whole.

Through various programs—feeding the

hungry, educating the poor, providing medical aid, and offering spiritual support—Guruji and Sai Karuna Dham are truly enriching lives. Future generations will remember this great contribution and will be inspired to walk on the path of selfless service and spiritual upliftment.

श्रद्धा की जीत, नफ़रत की हार

साईबाबा पर कीचड़ उछालने वालों को कोर्ट की फटकार

साईभक्तों में
थी गुस्से की लहर

शिर्डी: “सबका मालिक एक” का मानवता का संदेश देने वाले साईबाबा के खिलाफ

अपमानजनक बयान देने वालों को राहाता कोर्ट ने सख्त झटका दिया है. कोर्ट ने गौतम खट्टर और अजय गौतम को भविष्य में साईबाबा

पर किसी प्रकार की टिप्पणी, इंटरव्यू या भाषण देने पर रोक लगा दी है. इन दोनों के 2023 में दिए गए निराधार बयानों से देशभर के साईभक्तों में गुस्से की लहर दौड़ी थी. अब श्री साईबाबा संस्थान की याचिका पर आए इस फैसले को करोड़ों श्रद्धालुओं की

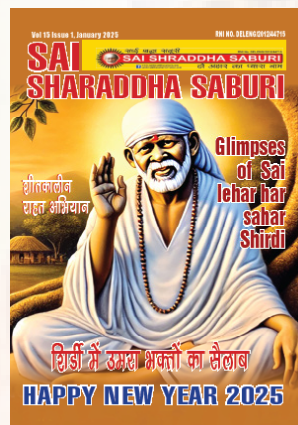

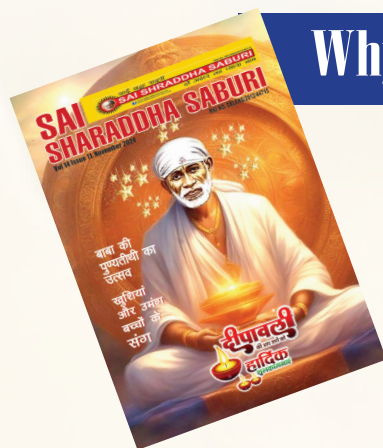

जीत माना जा रहा है.

इसी बीच सोशल मीडिया पर “संस्थान ने हज यात्रा के लिए 35 करोड़ की सहायता दी” जैसी झूठी अफवाह फैलाई जा रही थी. इस पर सीईओ गोरक्ष गाडीलकर ने स्पष्ट किया कि यह पूरी तरह गलत और निराधार है. उन्होंने कहा- ‘संस्थान ने ऐसा कोई निधि नहीं दिया है और अफवाह फैलाने वालों पर अब आपराधिक मामले दर्ज किए जाएंगे.’

गाडीलकर ने यह भी बताया कि साई संस्थान का हर पैसा भक्तों की सेवा में लगता है जैसे मुफ्त अस्पताल, एशिया का सबसे बड़ा प्रसादालय और कम दरों पर शिक्षा. 50 लाख से अधिक के स्वर्च के लिए हाईकोर्ट की अनुमति आवश्यक होती है, ऐसे में 35 करोड़ के दान की बात असंभव है. यह फैसला सच्चाई और श्रद्धा की जीत है, और द्वेष फैलाने वालों को सख्त कानूनी जवाब भी.

EXPERIENCE

So we went. In the next few lines, I'll explain the beautiful experience.

विभा शर्मा हावड़ा वेस्ट बंगाल

ओम साई राम जी, मैं विभा शर्मा हावड़ा वेस्ट बंगाल से हूँ। साई बाबा से मैं दो हजार पाँच से जुड़ी हुई हूँ। मेरे घर में इलेक्ट्रॉनिक की दुकान है, जिसे मेरे ससुर जी ने मेरे पति को दे दिया है। हमारे घर में हमेशा विवाद होता था, जिसे निपटाने के लिए मैं साई बाबा का व्रत करती थी। एक दिन, मेरे मंदिर में साई बाबा की फोटो गिरकर टूट गई, और मैंने अपने पति से कहा कि अब आपकी सारी समस्याएं खत्म हो जाएंगी। सचमुच, उसी दिन गाँव से उनके भाई लोग आए और आपसी समझौता हो गया। उनकी टेंशन खत्म हो गई, और मैंने प्रत्यक्ष देखा कि साई बाबा ने सारी बला अपने ऊपर ले गए। जय साई नाथ!

This time, I was among those who were passionately waiting to see Baba. We booked Dwarawati for our stay (by Sai Baba Sansthan), and it was so peaceful and beautiful.

The night before the darshan, I was not able to sleep because of excitement. It was as if I was meeting my most beloved person after so many years. Next morning, I woke up early (generally I am not an early riser, but this morning was different).

So we quickly got ready and moved out towards Samadhi Mandir. It was dark outside, and as we were walking, some street dogs started following us. As we walked, they came closer and closer, and I was furious. I prayed to Baba, and out of nowhere, an auto came and asked us, "Are you going to the mandir? Let me drop you."

We quickly sat in and thanked Baba. It was clear that it was sent by Baba. We sat in the queue, and the whole time I was chanting the mantra:

All those hours, I kept chanting this mantra, and I also took a rose to offer Baba

**Vatsala from Bangalore
Bangalore, India**

(there were restrictions after COVID to offer any prasada or flowers to Baba), but I hid it in my purse.
